ZAKARIA DAHAR

Full-Stack Developer (Laravel & React)

Casablanca, Morocco | +212 699 312 362 | zakaria.eldahar@gmail.com | LinkedIn: zakaria-eldahar
Portfolio: zakaria-dahar.netlify.app | GitHub: github.com/zackcis

CAREER SUMMARY:

Passionate Full-Stack Developer with hands-on experience in Laravel, React, and RESTful APIs, combined with a strong focus on clean code, performance optimization, and intuitive user experiences. Developed training management systems and e-commerce platforms, contributing to automation and performance improvements of over **40%**. Excited to bring my skills to a forward-thinking team where I can build impactful web solutions.

WORK EXPERIENCE:

2M SOREAD

Full-Stack Developer Intern, Casablanca | October 2024 – December 2024
- Developed a training management system using Laravel, enabling better tracking of internal and external training sessions.
- Automated the employee training request workflow, reducing manual work by 40%.
- Designed a dashboard with real-time statistics for training monitoring.

Startup Bookizone

Front-End Developer Intern, Casablanca | July 2024 – September 2024
- Developed user-friendly interfaces using PHP CodeIgniter and JavaScript.
- Optimized website performance, reducing page load times by 30%.
- Collaborated with designer to enhance the UI/UX experience.

Freelance Web Developer

Full-Stack Developer | September 2023 – Present
- Developed custom websites and web applications for local businesses (retail, services, e-commerce).
- Created e-commerce platforms with product management, payment gateways, and order tracking.
- Built internal dashboards for businesses to track sales, inventory, and customer data.

RELEVANT PROJECTS:

Task Management App

Technologies: Laravel, Javascript
- Built a collaborative task management system for teams.
- Implemented user roles and real-time notifications.

Car Rental System

Technologies: React, PHP, MySQL
- Designed a reservation system with user authentication and payment integration.
- Ensured a responsive UI for seamless customer interaction.
